JMH SPECIAL DISCOUNTED PROCEDURES 2022

Dear Doctor

We know and appreciate that not all of our patients are on medical aid and continue to seek access to quality medical assistance and care that is affordable.

As such, we have identified common procedures where a discounted cash rate can be provided to those in need.

Please find attached schedule that is inclusive of JMH hospital fees. These rates exclude other service provider fees and are based on a basket of consumables, theatre time and hospital stay.

Should you require inclusive fees for example with doctor and anaesthetist fees, please reach out to any of our billing supervisors, a list of which you will find attached to this document, at any of our hospitals for assistance.

The Joint Medical Holdings Group was formed to provide quality and affordable superior medical care to the community and in doing so, alleviate suffering. Our hospitals include, Ascot Park Hospital, City Hospital, Durdoc Hospital, Isipingo Hospital, Richards Bay Medical Institute, Ribumed Day Hospital Glenwood and Ribumed Day Hospital Ballito. To learn more about the Joint Medical Holdings Group please visit our website at www.imh.co.za
